

Dear Friends and Entrepreneurs,

The Stratford Area Chamber of Commerce is proud to introduce another way for you to network and grow your business. Your Chamber is sponsoring a Stratford Professional Luncheon every month. The location will change but the time won't (it will be the 3rd Wednesday of each month). You'll have the opportunity to introduce yourself and your business to other professionals. Details for this month's luncheon are provided below.

Each month a different business or organization will be featured and given the opportunity to speak and give you tips on how your business can flourish. Please let us know if you would like to be featured! Additionally, the restaurant we dine at will headline their facility and all that they have to offer. The rest of the time is up to you to make new contacts!
