

Village of Stratford

## SPRING & FALL CLEAN-UP DAYS

The Village of Stratford offers the opportunity to dispose of excess trash, furniture, appliances, etc., through Spring & Fall Clean Up Days each year. The first Spring & Fall Clean Up Days in 2007 gathered 45 tons of additional trash and recycled 302 major appliances from village residents!

On these specially designated dates, Veolia Environmental will pick up oversized, discarded household items that you place curbside along with your normal garbage and recycling. This special residential clean-up includes excess garbage, mattresses, microwave ovens, computer components, carpet, major appliances, televisions, and furniture.

**The following items WILL NOT be collected:**  
tires, waste oil, paint, liquids, auto batteries  
or construction materials.

**REFER TO THIS YEAR'S GARBAGE AND RECYCLING CALENDAR  
FOR SPECIAL CLEAN UP DATES!**

***Keep in mind, this is a service for Village of Stratford residential customers only!***

Please contact June Krueger, Village Clerk, at 687-4166 if you have any questions.
