Garbage & Recycling Collection

- ◆ All homes are required to participate in the garbage and recycling program. Services are billed as a special charge on the annual property tax bill.
- ◆ Garbage and recyclables will be collected each Thursday, with adjustments for holiday weeks. (Please refer to the calendar on the reverse.) Items for collection must be placed curbside by 7:00 a.m.
- ◆ Wheeled garbage carts are provided by Veolia. Broken wheels or lids, or damage due to normal wear and tear should be reported to the Village Clerk (715-687-4166) for replacement. Carts damaged by negligence will be replaced with a \$75.00 charge to the property owner.
- ◆ **Weekly garbage MUST fit inside your cart.** Garbage bag stickers may be purchased at the Village office (\$1.50 each) for the occasional weeks that you have excess garbage.
- ◆ Recycling crates are available at the Municipal Building at a cost of \$10.00 each. It is suggested that each household use two crates (one for containers, the other for paper products) as described under "Recycling Guidelines".
- ◆ Waste oil is not collected curbside. Contact a service station or Rock Oil for recycling.
- ◆ Sharps cannot be included with trash. Contact your medical provider for disposal options.

The Wisconsin Department of Natural Resources provides financial assistance to municipalities through grant awards based on the amount of recyclables collected locally each year.

In 2009, the Village of Stratford received DNR grants totaling **\$13,859.39** to offset the contracted cost of curbside collection charged to residents.

Printed on recycled paper.

Spring & Fall Clean Up Days

- ◆ Curbside collection of discarded household items, such as mattresses, carpet, appliances, furniture, computers, televisions, excess garbage, etc.
- ◆ NO waste oil, tires, or construction materials.

Compost Site

201 Connor Avenue (in the industrial park)

MAY through OCTOBER ... BI-WEEKLY

Monday evening 5:00 - 7:00 p.m.	Saturday morning 9:00 a.m. - 12:00 p.m.
------------------------------------	--

- ◆ Compost is an excellent source of organic matter to add to your garden or potted plants.
- ◆ "Green" or "brown" biodegradable waste materials should be brought to the compost site in clear bags or your reusable containers.
- ◆ FREE compost and wood chips are available.

Hazardous Waste and Electronics Collection

Saturday, October 2, 2010 8:00 a.m. - 12:00 noon
at the Stratford Area Fire Station, 513 S. Weber Ave.

- ◆ Computer components and electronics will be collected and a disposal fee charged.
- ◆ Hazardous wastes (paints and thinners, aerosol products, fertilizers, herbicides, old gasoline and oil, etc.) will be disposed of by a Veolia Hazardous Waste Team.

(This a Cooperative Recycling Event with Marathon County Solid Waste Department and area municipalities.)

Yard Waste Collection

- ◆ Curbside collection of leaves, grass clippings and garden materials. Use **clear** plastic bags only.
- ◆ All tree brush and branches **must be bundled**, not larger than 2 feet in diameter by 8 feet in length, and not heavier than 50 pounds per bundle. Keep thorny brush in separate bundles not longer than 3 feet in length.
- ◆ Do not set brush out earlier than 48 hours before Yard clean up dates. The property owner is responsible for all terrace clean up.

RECYCLING GUIDELINES

"CONTAINERS" may be mixed together!

ALUMINUM CANS includes used beverage cans only.

CONTAINER GLASS includes container glass only. Glass must be clean, with caps removed. Labels and neck rings can remain on glass. Glass should not be broken. **Glass does not include** ceramic cups, dishes, ovenware, plate glass, safety and window glass, heat-resistant glass such as Pyrex, lead-based glass such as crystal, or TV tubes.

PLASTIC BOTTLES AND CONTAINERS includes only plastic bottles and containers clearly marked with the recycling emblem encircling the #1 (PET or PETE) or the #2 (HDPE). Caps and covers must be removed. Labels and neck rings can remain on plastic. Clean all bottles and containers. **Does not include** motor oil bottles, even if they are labeled #1 or #2.

TIN CANS includes tin coated metal cans, bi-metal cans and steel containers, which must be clean and labels must be removed. If convenient, please cut out both ends and flatten. Cut out ends are recyclable.
