

Village of Stratford

Building Permits are required for remodeling, replacement and repairs over \$1,000 in value including, but not limited to, incoming mobile homes, fences, swimming pools, furnaces, fireplaces, air conditioning, remodeling, alterations, new roofing, replacement windows and doors, siding, driveway surfacing, garages and sheds, signs, porches, decks, etc.:

- \$10 for the first \$1000 of value and \$3 for each additional \$1000.
- Persons not obtaining a building permit prior to the start of construction will be issued a permit after-the-fact and the fee will be double.
- All electric work must be done by an electrician licensed by the state, an electrical union or a certified municipality.
