

Village of Stratford
Special Meeting of the Board of Trustees
and the Plan Commission

Municipal Building
November 9, 2016 / Wednesday

Village President Bud Suckow called the meeting to order at 6:00 p.m. Krueger verified that all open meetings law requirements have been satisfied.

Attendance

Village Board: Todd Belter, Keith Grell, Dale Heil, Tom Kolb, Bud Suckow and Dan Wenzel.

Plan Commission: George Chrouser, Dan Drexler, Steve Drexler and Clayton Foster.

Staff: Jerry Frod, Public Works Director and June Krueger, Clerk.

Also present: Brad Sippel, Planner - North Central Wisconsin Regional Planning Commission.

Sippel reviewed the process for the ten-year update to the Village's Comprehensive Plan which dates back to 2005. The NCWRPC has been contracted to guide the Village through this process. The Plan Commission will hold a second meeting after about three months with follow up from this meeting and to review the proposed updates. A third meeting will be to finalize the draft and to recommend the plan to the Village Board. The Village Board then holds a public hearing and adopts the updated plan by resolution.

Discussion of how the Comprehensive Plan has been used over the years. Determined that it is used occasionally as a reference, but not in day-to-day decision making. Discussed how the components of the plan are still relevant. Sippel shared updates to demographics, housing and transportation data.

The Public Participation Plan was reviewed.

Motion by Steve Drexler / Dan Drexler to recommend the Village Board approve the Public Participation Plan as presented. Carried.

The issues identified in the 2005 Comprehensive Plan were discussed for progress over the past ten years.

The next meeting will be scheduled in about three months.

Motion by Dan Drexler / Steve Drexler to adjourn. (7:40 p.m.) Carried.
