

## Tell us about your recreational interests!

What would you like to see in our parks? More benches? A new feature? Let us know!

We are committed to sustaining an attractive system of parks & facilities available for public use and enjoyment for generations to come.

Visit the village website [www.StratfordWI.com](http://www.StratfordWI.com) or stop in to the office to complete a short survey. Winners will be drawn at random to earn Stratford Bucks!

### Your opinion counts!

Spring Clean Up Day - May 10<sup>th</sup>

Call Advanced Disposal at  
715-387-2145 with questions.

Planting season is finally upon us! Make plans now for your garden plot before they are all gone. 4' x 8' garden plots are located at Klemme Reserve. The **Plot Registration Form** and **Gardener's Agreement** are located on the village's website, click on the 'Forms' tab, or pick them up at the Municipal Building. Plots are free of charge and offered on a first come, first served basis.

Answer: approximately \$11,000

The WI DNR estimates over 28,000 black bear range throughout the state. With a population like that, it's possible you'll catch a glimpse of them once in a while. In years past, these bears have been known to wander the outskirts of the Village. This year will likely be no different.

**Remember black bears are opportunistic eaters.** Bird feeders should be taken inside at night. Garbage cans should be kept clean, sealed, and stored in a garage or shed when possible. Keep your grill cleaned, and don't store pet food outside. If you find signs of a bear on your property, remove whatever has attracted them.

If you spot a bear, respect their space and do not approach it. Bears are a natural resident of our area, but if you feel the bear has become a nuisance and does not move on, **contact the US Dept of Agriculture Wildlife Services at 1-800-228-1368.**

## GUESS WHAT?

That mid-April snow storm dumped almost 20 inches of snow on us! Our Public Works guys worked their tails off, day and night, to try to keep up.

A major snow storm like that requires a lot of coordination and resources.

**Can you guess the approximate dollar amount the Village spent clearing snow from just that one storm?**

*Find the answer on the back of this sheet in the bottom right corner.*
