

Spring Clean Up Day

May 7th

 Curbside collection of discarded household items, such as mattresses, carpet, major appliances, furniture, excess garbage, etc... for Village residents ONLY.

 NO computers, electronics, televisions, microwaves, waste oil or filters, construction materials, or items brought in from outside the Village.

 Remember that the garbage collectors are mere humans lifting and moving an extraordinary amount of stuff the entire day. If there's an item you can break or cut down to a more manageable size, please be considerate! They have the right to leave something behind they deem unmanageable.

 While Thursday is the official collection day, they may begin on Wednesday to get ahead or come back Friday to finish up.

Planting season is upon us!

Make plans now for your garden plot before they are all gone. 4' x 8' garden plots are located at Klemme Reserve. The **Plot Registration Form** and **Gardener's Agreement** are located on the village's website, click on the 'Forms' tab, or pick them up at the Municipal Building. Plots are free of charge and offered on a first come, first served basis.

Hydrant & Water Main Flushing

The Water Utility crew will be flushing hydrants and water mains from **7:30 a.m. - 3:00 p.m.** the week of **Monday, June 1st to Friday, June 5th.**

This process stirs up sediment in the mains. During that time, using water in your home will draw this sediment into your lateral and then into your home's plumbing system. Check your water softener to make sure it does not recharge during this time.

You should delay using water for approximately 1/2 hour only when you notice the crew working in your area.

Customers may experience very low pressure or notice some temporary air in the lines when turning on a faucet after the crew has completed flushing in your area. **Call 715-687-4118 if you have any questions.**
