Chairperson Heil called the meeting to order at 6:00 p.m. Members present: Dale Heil, Maryel Schoenfuss, and Kevin Spaeth. Staff present: DPW Scott Dennee and Clerk Jamie Heindl. Also present: Chad Grundemann from MSA.

Review of Stewardship Plan – nothing to report at this time.

LRIP Discussion – MSA is planning to do the survey and design during the winter of 2022 to have a bid ready for spring 2023.

Motion by Spaeth/Schoenfuss to recommend moving forward with the contract with MSA for the LRIP Project. Carried.

City View Drive sewer lateral quote – current plan is to have the sewer lateral replaced at the same time as the water main work. Current ordinance states property owner is responsible for the sewer lateral.

Motion by Schoenfuss/Spaeth to recommend the sewer lateral work and to move forward with the special assessment process. Carried.

Part-time help/Subcontracting work – Discussion on getting some part-time help while we are trying to hire a full-time public works employee.

Director of Public Works report – Reconstruction work on Balsam east is complete. New gravel is also done on Balsam west and Webertown along with dust control. More sidewalks are scheduled to be taken out this week and replaced.

Park/playground grant – outreach to community members/businesses for donations. More research to be done and a rough draft of a grant application to come back at the August meeting.

Motion by Schoenfuss/Spaeth to adjourn. Carried. (6:58 p.m.)
