Spring Clean Up Day

 Curbside collection of discarded household items, such as mattresses, carpet, major appliances, furniture, excess garbage, etc... for Village residents ONLY.

 NO computers, electronics, televisions, microwaves, waste oil or filters, construction materials, or items brought in from outside the Village.

 Remember that the garbage collectors are mere humans lifting and moving an extraordinary amount of stuff the entire day. If there's an item you can break or cut down to a more manageable size, please be considerate! They have the right to leave something behind they deem unmanageable.

 In general, expect your pickup day to be the same as a normal week (Thursday or Friday). However, we do urge everyone to place their items curbside on Wednesday evening. If the Thursday crew working on the North side of State Highway 153 completes their work early, they may begin on the South side Thursday afternoon. Then come back and focus on the South side on Friday.

Please keep in mind that the garbage collectors WILL NOT sort through your piles for accepted items. If there are unaccepted items at the top of the pile, do not expect them to look through the rest to find the things they will take. If there's something you're not sure they'll take, make sure it's separate from everything else and be prepared to dispose of it on your own or call Harter's Disposal at 715-446-5400 for clarification.
