Dear Citizen,

The Police Officers of the Stratford Police Department strive to provide the best possible service to the community which they serve. Often times, Officers will go above and beyond their normal duties in keeping with the high standards of our agency.

This form is to recognize when an incident or event was handled in an exceptional manner. In a time where members of the Law Enforcement community come under increased scrutiny, it is equally important to highlight instances where a job was very well done.

Completed commendations can be mailed, faxed or dropped off in person to the Chief of Police. The address is:
