1	Bigger playground.	6/3/2018 5:44 PM
2	The park needs to be patrolled better. Living near the park, I've seen parents take their kids and leave due to the unacceptable behavior and language of kids. It is NOT a family friendly place.	6/3/2018 3:33 PM

29	The playground could use some maintenance (steering wheel on tractor), but is great overall. I would like to see a fountain/splash pad in this area. Perhaps similar to what Stevens Point installed. If a new pavilion were put up and a water feature of sorts, I think it would make downtown Stratford much more attractive. <a href="https://stevenspoint.com/PhotoGallery/3/fountain.jpg">https://stevenspoint.com/PhotoGallery/3/fountain.jpg</a>	5/7/2018 9:30 AM

1	The original plans called for a limestone surface which would be adequate for bikes. After 10 years I recommend a blacktop surface. Families with smaller kids cannot now bike there, thus limiting (severely) family usage.	6/7/2018 11:05 AM
2	I find this the biggest waste of money this town ever had. Yes the trails are nice to use however I do feel the money could have been used for better things.	6/3/2018 3:07 PM
3	? Pave 2 mile loop	6/3/2018 1:58 PM

5	More paved walkways, better for walking/biking	6/2/2018 8:49 PM
6	Some areas get pretty wet partial blacktop would be awesome	6/2/2018 4:15 PM
7	Disc golf	6/2/2018 11:44 AM
8	It would be nice if it was blacktopped. Also if there was water fountains along the way	6/2/2018 8:19 AM
9	Longer trail system	6/1/2018 9:37 PM
10	Get rid of deer/horseflies :)	6/1/2018 8:54 PM
11	I'd love to see the trail kept clear throughout the winter!	6/1/2018 7:10 PM
12	A dog park somewhere along the trail would be great	6/1/2018 6:10 PM
13	Trail is excellent and maintained well. Again, beef up low areas to keep from getting flooded out. Especially in shelter area.	6/1/2018 5:41 PM
14	Better material on path for biking	6/1/2018 4:11 PM
15	Firmer surface, hard to ride bikes on some of it. Lengthen the trail somewhere	5/19/2018 1:45 PM
16	It's really buggy can something be done about that?	5/18/2018 5:47 PM
17	Dogs leash rules need to be enforced. Unleashed dogs have a negative impact on the wildlife there, including the deaths of ground nesting birds and other wildlife. I also encountered a woman on the trails one day with two unleashed dogs, and one threatened me aggressively. I used to frequent the trails almost daily, but I tend to stay away now for that reason. I also do not like stepping over piles of dog poop because people ignore the pet waste stations. The trails should not be used as a place for people to walk their dogs to go potty. I doubt there is a way to enforce any of this, but unleashed dogs and leaving dog waste on the trails deserves a fine of some sort. I also do not care to see anymore signs go up along the trails, and the lending library was placed in an area where I observed many Thrush species over the past several years, but none since the library was put there. Keep the trails as natural as possible.	5/15/2018 7:00 AM
18	Additional trails	5/11/2018 11:28 PM
19	Additional shelter	5/11/2018 10:29 PM
20	Paving some of the trail. It is difficult to bike on when the kids are in the bike trailer. It would also be nice for rollerskating.	5/7/2018 9:32 AM
21	Connected to the Eastern neighborhoods off of 153(extending to hey m.) maybe along the river corridor. Would be a beautiful ride and would give kids and families access to town via bicycle.	5/6/2018 6:28 PM
22	Black top trails. Have exercise stations along trail.	5/4/2018 8:28 PM
23	Black top the trails. Have exercise stations on trail.	5/4/2018 8:18 PM
24	Lots and lots of wild fires and perhaps a sign that says do not feed the animals (bears) so that they move on.	5/4/2018 12:44 PM

If a cooperation with the Edgewater Estates subdivision could be worked out to use that private boat landing the Highway M landing would be unnecessary.	5/10/2018 11:58 AM

1	We could have better access from Sunset Ridge directly onto Heritage Trail. Kinda convoluted now. And if we go a decent surface, utilization would skyrocket.	6/7/2018 11:11 AM
